ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points.

If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries; it is not possible to change a grade on points once the entries have closed.

Lower Height Option.

Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule.

Each relevant class will have two heights with a change part way through to raise/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring Cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes (A dog is only eligible for one grade) In defining the eligibility of the owner or handler for Grade 1. The three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs

Grade 1 (ELEMENTARY) For owners, handlers or dogs which have not gained a first place in an agility class or three first places in jumping classes at Kennel Club licensed agility shows. *N.B. OWNERS, HANDLERS OR DOGS PREVIOUSLY QUALIFIED OUT OF GRADE 1 (ELEMENTARY) ARE NOT ELIGIBLE FOR THIS CLASS*

Grade 2 (STARTERS) Open to dogs which are not eligible for Grades 1,3,4,5,6,7 but have not gained a first place in an agility class or three first places in jumping classes at Grade 2 or have elected to progress on points from Grade 1 at Kennel Club licensed agility shows.

N.B. OWNERS, HANDLERS OR DOGS PREVIOUSLY QUALIFIED OUT OF GRADE 2 (STARTERS) ARE NOT ELIGIBLE FOR THIS CLASS

Grade 3 (GRADUATE) Open to dogs which are not eligible for grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed agility shows and dogs which are not eligible for grade 4,5,6, or 7.

Grade 4 (NOVICE) Open to dogs having which have gained a first place in an agility class or three first places in jumping classes at grade 3 or elected to progress from Grade 3 at Kennel Club licensed agility shows and dogs which are not eligible for grade 3,5,6, or 7.

Grade 5 (INTERMEDIATE) Open to dogs having which have gained a first place in an agility class or three first places in jumping classes at Grade 4 and are not eligible for grade 3,4,6, or 7.

Grade 6 (SENIOR) Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed agility shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for grade 3,4,5, or 7.

Grade 7 (ADVANCED) Open to dogs which have gained a minimum of 4 first places at Grade 6 at kennel club licensed agility shows, 2 first places must be gained in agility(not jumping) classes.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special Classes".

The eligibility for "Special Classes" must be defined by the society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

The height of hurdles in the special any size classes will be 350mm for large dogs and 250mm for small dogs and medium dogs

GRADE CHANGES

In estimating the number of awards won, all wins up to and including 25 days before the start of the competition (**17th April 2018**) shall be counted when entering a class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. By email or email kyscafter1@btinternet.com. The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor should be offered a refund of the relevant entry fees.

In accordance with Kennel Club Rules, ALL dogs competing in small or medium height categories must be measured for competition. Competitors must ensure that their dog is measured prior to their first competition and that the dog's Agility Record Book has been signed and dated by the measuring officials.

Large dogs entered for competition will not require an official Kennel Club measurement. Once a dog has competed in any Class in the Large Height category at Kennel Club Licensed event it may not change to a different height

A Graded class may be open to one or more, consecutive grades with separate results for each grade

A Combined class is open to more than one grade and there is only one set of results for the whole class

HEALTH AND SAFETY DECLARATION

Competitors and spectators are reminded that, just as Roseland DTC has a responsibility to ensure the health and safety of all those attending their event, competitors run at their own risk if conditions are not ideal and have a duty and responsibility for their own safety. They are therefore expected to take great care to avoid guide ropes, uneven surfaces and other hazards, which are inevitable and integral elements of an agility dog show. Those bringing and using portable items of equipment such as folding chairs, cages, and gazebos also have a responsibility to ensure that their equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Competitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site.

SAM's LOW Steeplechase Cup Qualifier

Rules

1. There will be two classes at each show holding a qualifier. One for dogs measured into small, and one for dogs measured into medium, with separate awards for each class.
2. This class is ONLY open to dogs measured into the small and medium height category (Kennel Club) who are entered in Lower Height option (LHO) at the show. It is not open to dogs who measure large, anysize/veteran dogs or dogs running at full height. This will be a combined class open to all grades.
3. The course will consist of jumps and tunnels, in a steeplechase style aimed at grades 1 to 7.
4. There will be no weaves, spread jump, wishing well or contact equipment in the course. A wall or long jump can be included in the course at the judge's discretion, but must be set at the correct height or the minimum spread, depending on what is appropriate.
5. The jumps will be 250mm for small dogs and 350mm for medium dogs.
6. Standard KC rules and marking apply.
7. Handlers may enter more than one dog, but individual dogs can only be entered once, with one handler. If a handler has more than one dog entered, the dogs must be run in their confirmed running order.
8. Rosettes will be placed to 6th. The top 3 dogs in both the small and medium qualifier will go forwards to a final at WBSDS show in August 2018. In the event that a dog and handler have already qualified, qualification will be given to the next highest allocated place, and handlers in places 4th to 6th will hold a reserve space.
9. If the entry for a heat exceeds the KC limit for a judge in a day then the class will be equally and randomly split and another judge appointed for the second part.
10. All competitors entering the class will be deemed to have agreed to abide by the rules of the Kennel Club and the specific rules governing this class.
11. Once a dog has qualified for the final, it may enter further heats, as long as it is still eligible. Handlers who have already qualified their dog for the final must report this to the appropriate Show Secretary before running in the class so that the qualification can be awarded to the highest place unqualified dog.
12. In the event of a handler being unable to compete in the final due to illness or injury, a substitute handler for the qualified dog will be allowed to run the dog in the final.
13. In the event of a dog being unable to compete in the final due to unavailability, illness or injury then the reserves from the same heat will be called in numerical order.

Without our Sponsors this qualifier would not be possible. This qualifier is kindly sponsored by –
